Universal Pre-Kindergarten Health Screening Requirement Acknowledgement Form

Dear Parent(s)/Caregiver,

As part of the Universal Pre-Kindergarten program your child must have certain health screenings. These screenings may help prevent future problems with your child's health. Some of these screenings may be offered by your child's preschool. If not, a list of resources is attached for those screenings that may not be provided by your child's preschool.

Thank you!

Below is a list of required screenings

- Lead screening
- Hematocrit/Hemoglobin screening
- Dental screening
- Vision screening
- Hearing screening

Your signature below verifies that you are aware of the medical screenings your child needs; confirms that you received the necessary forms for your doctor or dentist to complete; and confirms that you received the list of local resources available to assist you with completing the medical screenings.
