

# Child Care

Helping parents and caregivers find high-quality child care

If you need child care, it's important to find a high-quality center or family child care home. You want a place where your children are safe, lovingly cared for and well-prepared to enter school. Good child care is necessary for a good start in life.

Starting Point works every day to improve child care quality in Cuyahoga County. We will help you find quality child care in your neighborhood or near your workplace. You will also get information on financial aid, tax credits and other child care services.
