

Save the Dates: UH Rainbow Special Grand Rounds Series

Understanding the Impact of Adverse Childhood Experiences (ACES) and Toxic Stress on Children and the Benefits of Trauma Informed Care

Please join us as we take part in leading the national conversation on the important topic of adverse childhood experiences, toxic stress and how as we can work together as a community of health care providers to support Cleveland's children and families. The highlight of the series will take place on Thursday, March 21st with guest speaker Nadine Burke-Harris, MD, MPH, a leading national expert on the topic.
